

# TILDEN - MEADOW GROVE COMMUNITY FOUNDATION

Helping Sustain and Enhance Our Community for Today and Tomorrow

November 2004

Dear Tilden High School Alum,

In mid 2003, our community formed the Tilden-Meadow Grove Community Foundation. The Foundation exists to help concerned individuals to support the betterment of our Tilden-Meadow Grove community. Our non-profit organization is available to provide or continue essential services, such as health care, telecommunications, K-12 education, environmental protection, libraries, community centers, parks/recreation and scholarships.

Our theme is "help turn a gift into a decade of giving." We know that you care for and support our Northeast Nebraska community. We now invite you to become active in your support for the Tilden - Meadow Grove community. Your thoughtful gift will have a lasting legacy.

Planned gifts are an easy and cost-effective method of estate planning to support communities and causes you care about after providing for loved ones while avoiding or reducing potentially costly estate taxes. A number of planned giving tools are available for your consideration: cash, securities, appreciated property, or life insurance may be given by gifts, wills or trusts. Your gift can be given with no special request in mind or can be designated for a special charity or project. It can be provided to honor individuals or to memorialize relatives and friends. Religious organizations are not eligible for support by the Foundation.

If you seek additional information about making a charitable donation to the Tilden-Meadow Grove Community Foundation, please contact any member of our Board of Directors. They are Don Mozer - Chair (634-2964), Joy Griffith - Vice Chair (634-2658), Larry Schulze - Secretary (423-1470), Susan Smidt - Treasurer (368-2262), Diana Crabb (368-5304), Pat Decker (368-2133), John Dittrich (634-2474), Janell Oelsigle (368-2149), and Tom Zwingman (640-1194). The address of our Foundation is below.

Please consider the following opportunities for your donation. Donors of gifts of \$24 or less are known as Foundation Contributors. A donation greater than \$25 will designate the donor as a Foundation Friend and include a one-year membership. Donors of \$500 or more are recognized as Foundation Patrons and receive a lifetime membership to the Tilden-Meadow Grove Community Foundation. All gifts are tax deductible.

We encourage you to consider how you may contribute to our community. As our letterhead explains above, your donation helps sustain and enhance our community for today and tomorrow. Thank you for your consideration.
